

CAREER CRUISING

SMyLife

There's a great big world out there. SMyLife is an easy-to-use website that helps you find your way by showing you how your interests and skills can lead to a real world career. Explore career and education options, financial aid, and keep track of school activities and other experiences for scholarship applications and resume building. Students also have access to online ACT preparation tools and so much more. Explore today at <http://sdmylife.com/>!

See Mrs. Martin for username and password information.
